2024

YEAR END

*“Thank you **God** for your provision, blessings and especially for all of the amazing Baysiders you used to do your work.”*

## Our Year at Bayside.

**Every once in a while, something really special happens: God starts with something small.**

Twenty-nine years ago, a small group of 26 people gathered to pray in Cindy Uhler’s living room, where Bayside Church was launched.

Every once in a while, God decides to do something breathtaking – That is exactly what has happened at Bayside Church in 2024. Our focus on loving God, Teaching God’s Word and Unleashing Compassion has shown God moves in breathtaking ways.

**Adventure Christian School** has grown to be the largest Christian School in the greater Sacramento region.

**Baptism records** have been shattered, attendance flourished, service projects and community outreach multiplied, and historic numbers of students and adults served in Mexico.

The **Bible Conference** has exploded and in January is multiplying for the first time.

Our **Thrive Leadership Conference** challenged and encouraged almost 4000 Christian leaders.

**New campuses** were launched, new building’s acquired, and so much more (see below the full and amazing report).

When we look at everything God did across all nine campuses this year, we can only

say, **“Thank you God for your provision, blessings and especially for all of the amazing Baysiders you used to do your work.”**

And here’s the best part we are **JUST GETTING STARTED!**

We believe we are just getting started because as we have prayed and listened to God, God has given us a larger vision.

Why? Because Jesus came for everyone.

No more playing it safe; it’s time to go all in on what God has planned for us. Bayside Church is chomping at the bit to roll out our God-sized vision for 2025.

To that end, we believe that we will see more lives changed and more ministry launched than ever before. But to see this happen we need your help:

- **Pray** for people to come to faith during our upcoming Christmas services. Across nine campuses, we will do over 30 services and host more than 30,000 guests. Pray that thousands of hearts will surrender to Christ.

- Prayerfully consider a strategic year end gift that will help us maximize this outreach at Christmas and start the New Year strong.

Finally, we want to say a big **THANK YOU** for all you’ve done! Your faithfulness, generosity, and commitment to be instruments that God uses to change lives.

Check out these amazing highlights from this past year. These are just snippets of the bigger story, but we know you’ll join us in praising God for every single one of them.
