

Almost True

Almost True

This month at Bayside Kids, we are following along with the main service series called **Almost True**. Sometimes things we hear sound good—but they’re not fully true and don’t line up with God’s Word.

In this series, kids are learning how to spot “almost true” ideas and discover that when we go to the Bible, we can learn what is really true.

God’s Word helps guide us, even when other ideas sound right.

We encourage you to continue the conversation at home by talking about what your child is learning each week.

Kids can also earn a prize by completing the questions on the back of this page—either as a family or on their own!

January 4 | God's Word is true and I can trust Him to lead me

January 11 | God's Word is true, and Jesus gives us real joy.

January 18 | God's Word is true, and God can heal hurting hearts.

January 25 | God's Word is true, and God is working, even when life is hard.
